Dear Gene,

Enclosed please find the final Statement of Work (SOW) for the RI/FS at the Albion-Sheridan Township Landfill site. As I mentioned to you on the phone yesterday, this SOW is very similar to the one you commented on last spring before we sent out the Special Notice Letters for RI/FS negotiations. I have revised the document somewhat based on the fact that this is now a Fund-lead rather than a PRP-lead project; however, the technical requirements are the same.

I look forward to seeing you at the site next Thursday, January 16, at 9:30 a.m. We can meet at the entrance on Erie Road. Please call me at (312)353-7556 if you have any questions about the SOW or next week's meeting. Thank you.

Sincerely,
